Nex-TechSM

Nex-Tech is committed to providing accessible telecommunications and broadband to customers and has been since 1951. We are proud to offer assistance programs to help those in need stay connected to what matters most.

IDP //

The Internet Discount Program "IDP" is a program offered by Nex-Tech that helps make telecommunications services more affordable for low income consumers. IDP provides qualifying subscribers with a discount on monthly Internet service.

Please contact us for more information.

How it works

IDP assistance provides up to a \$30.00 monthly discount on our 1 GIG fiber residential Internet service per month.

Do you qualify?

A consumer may be eligible if they meet one of the following criteria:

- Participates in certain assistance programs, such as Medicaid, SNAP, or Section 8 Housing.*
- Household income is at or below 135% of the federal poverty level. For current income limits, visit nex-tech.com for additional information and for the application process.*
